

Lauderdale-By-The-Sea Fest 2014 Loggerhead Family Activities Booths

Museum of Discovery & Science

Visit their booth at the Fest for interactive, hands-on fun. Learn all about Sea Turtles and all the other wonderful things the Museum has to offer. The MODS will be presenting two Sea Turtle Talks daily at 11am & 2pm on the Starfish Stage.

Youth Environmental Alliance

Young people can visit the YEA Booth and see how they can be an active participant in changing their environment. Stop by and see what you can do to help our planet.

The Historic Stranahan House

Built by Frank & Ivy Stranahan in 1901, stop by their booth, dress in period outfits and take your picture in front of this historic Fort Lauderdale venue. Also available will be Museum Membership Information and souvenirs.

Florida Fish & Wildlife Conservancy Commission

Step into the FFWCC's Trailer Exhibit and learn about the importance of lighting restrictions and other vital information to prevent the disruption of Sea Turtle Nesting on our beaches.

The Home Depot Children's Workshop

On Sunday, April 6th ONLY – from 10am – while supplies last. Volunteers from The Home Depot of Deerfield Beach will be on-hand to assist children under 10 years old in building a Special Spring project to take home.
